### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Rick Nydegger on November 22, 2006.

The application has been amended as follows:

Claims 10, 35-36 and 38-39 have been added.

Claims 37 and 40 have been cancelled.

Claim 1, line 7, "a" has been deleted and replaced with --- said---

Claim 28, line 9, "a" has been deleted and replaced with --- said---

Claim 35, line 9, immediately after "agent" there is inserted --- that includes at least one hydrophilic polymer, and said dental bleaching agent in a lower concentration than the dental bleaching agent contained in said dental bleaching gel---

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the claims were amended to replace "a" dental bleaching agent with "said" bleaching agent. This was to make clear that the concentration of bleaching agent in the protective adhesive composition is not equal to zero. In regards to the added claims, the claims were withdrawn due to an Election of Species Requirement. The claims have been amended to place them in condition for allowance by adding the limitations added to the amended claim 1.

### **Conclusion**

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
